

Simply Easier ACORD Forms Passes the 80,000 User Mark

Simply-Easier-ACORD-Forms.com , the #1 provider of online ACORD forms for the insurance industry, has passed the 80,000 user mark. More people have signed up for the Simply Easier ACORD Forms service than all other ACORD forms services combined.

Durham, North Carolina (PRWEB) February 1, 2008 - Simply-Easier-ACORD-Forms.com , the #1 provider of online ACORD forms for the insurance industry, has passed the 80,000 user mark. In less than 2 ½ years more people have signed up for Simply Easier ACORD Forms service than all other ACORD forms services combined.

ACORD (Agency Company Organization for Research and Development) forms are the accepted insurance industry standard forms for certificates of insurance, loss notices, automobile insurance identification cards and coverage applications.

Simply-Easier-ACORD-Forms.com provides free access to all current ACORD forms. The Cap-Dat-ACORD service allows users to complete forms online, save and retrieve, email, print or Fax completed forms.

The unique online desktop workspace allows users to create their own file structure through use of tags, description and other meta data. The service includes strong document management functionality allowing upload of other documents and images.

In addition to state of the art technology, Simply Easier ACORD Forms has benefited from placing an emphasis on old fashion, real person customer service.

User Paul Johnson of Paul Johnson Insurance in Sacramento, CA says "I am a subscriber to your system and I would like you to know that the associate mentioned above is the most patient, courteous, helpful and knowledgeable person I have ever dealt with on the net! She does a great job and I wanted you to know that fact (which you probably already do). You should be very proud of the way she conducts herself and the image she portrays to others. What a great asset for your operation! Best! Paul W. Johnson".

"Our goal is to make doing business for the insurance industry simply easier." said Duke Williams, Founder and CEO of Atlatl, Inc, Simply-Easier-ACORD-Forms.com parent company. "Reaching 80,000 online users is a great start towards making critical documents and data available anytime, anywhere."
